“ John was the nicest man I have ever known on this earth. He helped me so much in high school with higher math classes. In junior high he was a boy I could depend on when I needed a friend to talk to. At our 30th class reunion he was the one that I had the most fun with. Sitting around the fire being kids again. I will forever miss him. I know you are in Heaven with the Angels because You were one of the angels on earth. Rest in Peace, Love, Belinda
