“ John was one to make everyone laugh. He was a genuine friend and will be missed. Many prayers as his family and friends learn to cope with having to finish our race without him here.

“ John will be missed so much. I worked with John at Optima. From the day he was hired, I can't remember him ever saying a bad thing about anyone. His faith was apparent. His love for God and family was shown not only in his actions but also his words. I worked maintenance and John was an operator. We would dread seeing his shift reports, because he would point out things that need to be done, little things, but if he saw it, it would be on the shift report. Lol. We didn't want him finding work for us but he always did. Now I'd give anything for more of those shift reports. To say I'm going to miss him is an understatement. He could always make you laugh. Go rest high buddy, I hope to see you again one day.

“ My family and I met John and his family at his father’s farm @ Renick a few years ago. We continued seeing him every fall at the yearly celebration. He was such a pleasure to talk to. He was never in a hurry when we talked to him. Everyone seemed very important to him. We could see and feel the presence of God in him. We will never forget his gentle and sincere personality. Our loving hugs go to his precious family. We love all of you Gillenwater Family!

“ Our hearts are broken for your loss. We have so many beautiful memories of John and almost all of them involve laughter. He was one of the most genuine people we have ever known. He will be missed deeply but what joy we have to know that we will hear that laughter ring again when we meet in heaven some sweet day. Tina, Alyssa and Logan, we love you all so much.

I met John when I started working at Optima. From the first day I met him, he made me feel welcomed and said he was glad that I was hired without even knowing me. We hit it off right away and had lots of laughs and good times working on shift together. He made going to work something to look forward to. John was always happy. He was one of the best guys I've ever known. He had a wonderful outlook on life and was an inspiration to so many. He will be greatly missed.

My heart felt condolences is to the family, Mark and i are cousins and I seen John grow up as a small lad. It was no wonder he had that gift of love out side of the Lord given it to him. Mark and his family are all good Godly people and never had a bad word to say about no one, Mark and I played many of a day together on summit ridge growing up. John will be missed but is at home tonight with his Lord and some day we will me again.
