“ *John and his family and my family went to church together as children and we grew up together and traveled and sang at different churches together and the main thing about John is he has always loved and served the Lord as long as I have known him and that's just about all my life. We used to go and watch him and his brother run track for Poca High School where they both were the best. John you are loved and you will surely be missed. See you soon Brother*

“ We hadn't known John but a couple years. John went out of his way to be friendly and get to know us. He really did always have a smile on his face and just a few weeks back the Sunday School teacher asked him how he was a John thumbs up. We knew he was not well but he tried his best to remain faithful in spite of his many health issues. Love and Prayers to Sweet Beverly and the rest of his family. Rest In Peace John.

“ John's family and mine grew up together on Thompson Road in Hurricane. He was always laughing or getting us all in to trouble. We spent many a summer together as kids and I will cherish those memories. I will certainly miss his beautiful singing in church. Rest in peace John, your suffering is over. Although you will be deeply missed by your family they have hope in knowing you will be reunited in Heaven.

My prayer is that John's family will be comforted in knowing his destination. I'm sure after his meeting with our Lord, his homecoming with Al, and other family members was a joyous occasion. May God's marvelous grace and peace be with this dear family.
