“ Sheryl, Sheri & Family - Our hearts are broken for you and for the loss of our dear sweet Jack. He was family to us. We have so many memories of such fun times when we lived next door (and after we moved). We shared so many conversations, food, laughs, jokes and adventures. The last time we visited with him was mid-October and he texted me and told me he would like Mexican food and a bottle of coke (the small ones). We showed up with more Mexican food than we thought he could eat and a six-pack of small bottles of coke. His eyes lit up and there wasn't a bit of food left! How our hearts soared to visit with him and catch up. Our sweet Jack was larger in life in person and in his heart. We will certainly miss his smile, his humor and his love on this earth, but we are confident we will see him again in Heaven! May God hold you close and your memories provide comfort in the days and weeks ahead. We love you and will see you soon.
