“ *Back in the mid 2000's I worked at Home Depot with John. He was such a joy to be around. We laughed all day long. He was my bud. He really did care about everyone around him and even though I have not seen him in 10 years or so, I remember fondly. So sad to hear of his passing.*

“ *From Dawn Hale via Facebook to me: " Hey Brian, I have to tell a favorite story about your dad, my first job was at Heck's and I remember your Dad coming in on Christmas Eve and giving his whole paycheck to the cashiers and telling them to use it to buy toys and candy for the local kids who got nothing for Christmas, I will never forget that he was a good man and told some of the best jokes I ever heard. Sorry for your loss. 🙁*

“ I went to Coalton High School with John. He had a personality that drew everyone to him. He was funny, always with a joke or acting out something funny; I remember him mimicking Curly of the Three Stooges. He was a great basketball player in school. He was a born leader. It is with a great deal of sadness to read of his passing. My heart goes out to his family, I know they will miss him.

Gary Bender - December 27, 2018 at 09:35 PM

Mr Bender thank you for such kind words. Dad was something else. You captured it perfectly in the way he balanced both his humor and his ability to lead and be a role model for others.

MR

John was a friend that you can never forget. He had such a wonderful personality that was infectious. Our kids loved John. When he layed our carpet, our youngest daughter was his buddy/helper and she loved John dearly. I don't know which one was the child. lol When he would come to our house he would make himself like one of the family and he was. We will never forget him. RIP John and fly high with the angels. 🥹💙
