“ *John Edward Moran was my classmate and roommate in the College of the Holy Cross class of 1949. Today I learned of his death by letter from the College.
John was the best roommate and friend that I could ever ask for. We kept in touch off and on for many years but it has been a long time since we were able to spend any time together. I send my condolences to his family, knowing that he will be greatly missed. I will pray for the repose of his soul, though now I have another friend in heaven whom I can pray to.*

“ I think possibly John and I were in the same barrack , in North Africa, in 1954. There were five of us. Needless to say we became close for that year . Throughout my lifetime I've remembered John as a close friend. If this is the John I remembered, I would appreciate a call. 304-546-2660. Blessings to the family.

“ Prayers for John's entire family. He was great brother in law and I always enjoyed his wit. He loved my sister and was very good to her and for that I am very grateful.
RIP, John.
