It is with deepest sympathy that I offer my condolences to the family at the passing of your dear brother. I join with all in thanking God for a long and good life granted to John. He was loved by all and his presence will be missed. “ John Tyree is a good man. Thoughts and Prayers go out to His extended Family. I had the Pleasure of working with John in the same work group at Union Carbide at the Powerhouse. We become friends and respected one another. He was very experienced as a Master Election. I do not believe I knew he was in the Marines, that makes him even better. Our work group at the Powerhouse would start work at 7:30am. Some of us would come in earlier for coffee and relax and talk and have fun. I remember once he received his plaque for I think his 25 year reward. He also received a Beautiful Ring. Tried to talk John out of that one. He deserved every bit of that Honor. Our group had a lot of fun, but when it was time to work, we got serious. John had a Dangerous Job, and He was very good at His Job. He never took it for granted. He was a good person, and always willing to help his co-workers when he could. Prayers for the Tyree Family, so sorry for your loss. I Will miss JohnRest in Peace John Tyree, I Love You Friend
