“ Dear Carolyn and family,  
May the peace of Jesus Christ, our Lord and Savior surround you and your family in this time of John's death or new journey from earthly life, to eternal life in Heaven.

John, "faught the good fight" in surviving all he has been through this last year: that of illness and then the accident. I love it that you, Carolyn and John, share the same day of marriage ... June 18! Just as you are a woman of God & Faith, so is the time you and John have been blessed with. Your love and devotion to John exhibits that of a woman and man who took the sacrament of marriage serious ... unconditional love.

John, as you know, had such a sense of humor of bringing laughter into any situation. I'm sure this is just one of the many memories your will treasure in your heart, even as time passes. You too have a good sense of humor ... you would have to, to have put up with all the teasing John enjoyed bringing into your home. He was also a very talented man in the arts and writing. I felt honored when he shared some of his work with me. His love for all the little animals was so compassionate. I'm sure it helped him to fill the empty nest when your children grew up and left home. I know he loved his grandchildren ... and they had him wrapped around their little finger. With all the places He would take them, when they would say something like, "Grandpa would you take us to the wave pool". So he did, paid their way and picked them up! I know he enjoyed your interaction with the grandkids, when you would pretend and play school and dress up when they came to visit.

You have been blessed with a wonderful husband, John and he equally blessed too with you Carolyn as his wife. Now, you must live your life and walk in faith. When feeling the absence of John, and you will, say a short prayer over and over ... "Jesus I Trust In You" and may your questions be answered, peace and joy continue to be with you.

Much love ... In Jesus Christ Always ... Martin and Becky Mazzella
