“ To all of the Johnny's family....Randy and our family are so very sorry for the loss of Johnny! We have memories with so many of you and we are lifting you all in our prayers. Randy's first assignment in ministry was at Mt. Union in 2008! We have such great memories of everyone we came to consider family. Randy was honored on his first Sunday at Mt. Union to assist with Russell Ferguson funeral. We were so sorry we never had the opportunity to meet him, but Zeda saw to it that we knew all about their family and their love for their lives in Pliny, WV! We just want you all to know you're in our thoughts and prayers! 🙏

“ Saturday nights in the 80s. Hee Haw and microwave popcorn. Watching him and grandma square dancing. He walked me down the aisle as he was my father figure. Hardest worker I've known He will be surely missed. Fly high PawPaw!

“ We just met Johnny this summer as he worked our house. My husband and I both delighted in having an 81 year old plumber and electrician take part in our forever home. In the beginning Johnny would ask me questions about lights, where I wanted them, what type, etc. After a few conversations and proof of his expertise and his cost-effective drive, I eventually told him, "Johnny do whatever you think you need to do to make our house into a home." We got more than we bargained for! Things I didn't think of, he certainly did! He was amazing at his job and wanted to save us money all around. When my house is finished, I plan on getting my pictures together in a memorial to the Ferguson Clan! We would not have what we have if it were not for them and they way they SERVE. My heart is saddened by his passing and the unfortunate way he left this world. He will be missed greatly here on earth!
