“ *What a sad day for the family; but oh what a day of forever happiness in heaven! Joretta will truly be missed by Bob and I. The years are as Dad said, "as a dream". We talked about sitting down with a cup of coffee: reminiscing about our Outer Banks trip - out time at Williamsburg - the family reunions - the holidays - the love of a family - a husband who was just like his dad --- truth is we didn't do it the past 10 years - but one day - it will be a glorious day - with joy unspeakable. I thank God she was my sister-in-law.*

*Love and our prayers to all of you,*

“ *Steve, Kent and Natalie - Rest assured that you three were blessed with a wonderful father and mother. We knew them best when we were much younger and they were a very important part of the Henson family. We have wonderful memories and have drawn on them since we learned of Joretta and Bill's passing. Our thoughts, our prayers are with you through this trying time and if any of you are ever in Fayetteville each of you would be welcomed at anytime. Betty & Frank Henson*

“ My mother and father, Betty and Frank Henson send their deepest sympathy. They were high school friends and have wonderful memories and stories of their times together in school and into their adult lives. They had a friendship that was cherished. They were blessed to have Joretta and Bill in their lives. We are so sorry for your loss.
