“ *Mr. Coffman was a really fine person, I worked in both the St. Albans and Charleston Social Security Offices and had great respect for him. I also lived in Riverlake and got to know he and Edna on a personal level. When he walked and we were outside he always stopped and chatted. I know he was very proud of his family for he talked about all of you every chance he got. He was a quiet man, but good man. My husband and I send our deepest sympathies to all of you.
