“ *Dear Cottrell family,
My mother, Marion Nelson , was Joey’s teacher for many years at Shawkey. I knew Joey from a very young age as I did volunteer work along side my mom. I have many wonderful memories of Joey from not only Shawkey, but from summer day camps at Little Creek Park. I am so very sorry to read about his passing. I am only 4 years older than Joey so as I said I knew him from when he was very young. A fond and funny memory I have of him comes from the summer day camps. He wore a button one summer that said “ I really love your peaches, want to shake your tree”. My mom thought that was the funniest thing and her Joey would laugh together. Needless to say it is a lyric in a Steve Miller song. Every time I hear the song I have always thought of Joey Cottrell.
My deepest sympathies

“ Hello Cottrell Family, this is Michael Susser. I knew Joe along time ago when I first did some practice teaching at Shawkey in 1976, then my student teaching, finally got a teaching job at Shawkey in 1981. Always loved Joe, not overly coordinated at all, but loved all the Special Olympic sports we did. Our school was very active in Sp. Oly. And so was Joe. I remember very well all of Joe's little things he did the way he tucked his thumbs, rubbed his eyes to name a few. These things all bring a smile to me. May G-DS love help dry your tears. Fondly, Michael Susser
