“ I was so saddened to hear Joe passed away so unexpectedly. His life touched so many and I know his lovely wife and close family and friends will miss him dearly. We met through mutual friends in the late 80s, and “Giovanni’s Pizza” was our go-to hang out spot! Funny how during those years things are so carefree and you believe you are invincible. We’d lost touch, as you do, but often would read about Joe’s coaching escapades through Facebook posts, and followed his contributions to the Hurricane community.

Rest easy, my friend!

“ To Diane and all the extended Henson family, I am so very sorry for your loss of a great light in the world. I remember Joe Eddy as being larger than life with a great smile and laugh. May the memory of that laugh, and the love that was with it, forever surround you. With deep condolences.

“ My memories of Joe Eddy are from our high school days and the class of '83. He was always a great guy and the few times that I saw him after graduation he was always happy and welcoming. He was one that stayed in Hurricane and made it a better place as you can tell by the outpouring from the community and friends. Rest now my friend, your work on earth is done and God needs you to come home.

“ Great guy, don't think I have seen since 1983, but still remember him as the master of the fast break in youth basketball at the old gym by the old Hurricane Elementary and Junior high. Wish well for the family

“ I was privileged to be his Kindergarten teacher for two years. Was proud of him. When I called the bank I always asked for him. He always treated me with such respect. I graduated with his father at HHS.

“ I had known Joe Eddy for most of my life. We went through school
together from elementary all the way through high school and
graduated together. Even at that I can't say that I knew him all that
well, being that everyone has their own friends and bonds in school.
But I do know one thing is that he had a smile like no other and a
very kind heart to all. I know that he held a very important part in our
community here in Hurricane and did a lot with coaching in the
schools with numerous kids and left a mark on them for a lifetime. I
will be keeping his wife Diane and all of his extended family and
close friends in my prayers for comfort in this most sad and difficult
time. RIP Joe Eddy you will truly be missed. . ❤️😭😇❤️

“ *I last saw Joe Eddy about three years ago and was greeted with a great big bear hug. We graduated together and I hadn't seen him since but he greeted me like a dear friend. Our entire Class of 83 shares a bond, despite the years and miles, so I know we grieve his loss together. Personally, I feel it deeply, and send my love and prayers to his wife and family. May you find comfort in the many happy moments and memories I know he left you with. Rest in peace, my friend.*

I have known Joe Eddy most of his life. My Grandmother was a Henson, making us related. I talked to him by phone at Putnam County Bank, not too long ago. We talked and talked. He was going to try and find a friend of mine and an aunt he hadn't seen in many years, but I don't think he ever located her. I enjoyed talking to him. Both of my brothers had worked for his dad and also my dad, so we go back a lot of years. I was very sad to hear about Joe Eddy and my deepest sympathy goes to his wife, whom he talked about how happy he was to marry the love of his life. May GOD bless and comfort Joe's family. 🙏
