“ *I came to know Josh through my son, Curt. He was Curt's best friend. As I watched, Josh was always there for Curt in times of need. Always dependable. That's hard to find anywhere today. Josh has been to my home, and I his. He earned my respect through his actions, attitude, and manners. His was a bright soul and it showed. Curt and I will miss him dearly. We are all the better for just having known Josh. May he and his family be filled and comforted with the everlasting peace and light of our Lord, Jesus Christ.*

“Guys, I'm stricken with much sadness for you all. I'm so sorry to hear of Josh's passing. He was always a great cousin! I know our paths had gone in different directions, but I thought of him so often. I remember when you guys had so graciously paid for a ticket for me to stay with you all as my graduation gift in 1999. That trip is still one of my favorite memories in my life. Josh and I spent a lot of time talking and singing! He was always so much fun to be around. I will never forget him! I love all you. Jody and Don, I'm praying for peace that surpasses all under for you guys. Sarah, Nathaniel and Laney, I'm praying for you guys as well. I pray that all of you can find peace in this very devastating thing. Time will pass but I don't think it gets easier like so many people will tell you. It just gets different. But you hang on to all those precious memories and hug his baby girls so tight! His memory lives on through all of his family and friends. I always loved his smile...he always had such great teeth. ;) I love you guys so much and wish I could be right there mourning with you. Let me know what I can do for you guys. One of these days I'm going to come visit you and give you big hugs!! Love, Aimee
