“ *Martha, I am sharing in your sorrow. My heart is so sad for your loss. I did not know his children and Tabatha, but I pray you all will find peace in the memories that God provides. Josh and my son, Nathan Vance, were good friends in elementary school at Andrews Heights. Josh was such a gentle, sweet and kind spirit.. I remember him visiting our home and what fun they had skateboarding, basketball, etc. Many prayers going up that God will bless Josh's family and provide peace and sweet memories.*

“ Josh was such a special young man, father and nephew. I never knew a time when he didn't have a smile for his Aunt Connie. Even though I didn't get to spend a lot of time with him due to the miles between us, he was always in my heart.

*My condolences and prayers go out to Tabatha, his 2- boys, Martha, Mike and his sister Lorrie. Praying God's peace, and Love bring comfort in the days ahead.*

*Much love and hugs to all.*

“ *Josh was definitely a good man. What the obituary says is all so true. He had been one of my neighbors for over 10 years and I can say that everytime I would pass his home he always had a smile and a friendly wave. He did take pride in his yard and made sure it always looked nice. Always playing with his sons too. He had just helped us at our home a few weeks ago and we offered to pay him and he just smiled and refused any money and said that's what neighbors are for. He was that kind of man. He will be missed by so many. Many prayers for Martha and his sons Lori and Tabitha and the rest of his family and friends. May Josh rest in peace. 🙏*

“ *Dear Martha and family,  
So very sorry for your loss.  
I can still remember Josh and Kevin riding  
their bikes all over Tornado, them hanging out  
at your house or ours. They were the cutest  
little guys! The memories are numerous.  
Please know we're thinking of you and your family during this most  
difficult time. Thoughts and prayers!

“ As I sit here and write this I am completely lost for words. I didn't think that tonight I would be coming home & writing this. My heart breaks for Jacob, Konner, Tabatha & his whole family! Josh was definitely one of the coolest guys I've ever met. And I am so grateful that I had the pleasure of being able to know him in this lifetime. As I was sitting here reading his obituary it definitely described Josh well.. I can't express how much he loved his boys. He loved them more than life it self. One early morning about 4 or 5 am I was standing with josh on his back porch looking at his fire pit and he was telling me about how deer would come down and graze on the grass in the back. And how they would always end up munching on his garden. He told me he loved growing & caring for his garden with the boys. That's something I could definitely tell he took so much pride in. He would tell me how much the boys loved eating hot peppers with him. I loved his stories he was definitely a funny guy. So easy to get along with... Josh had such a kind heart & personality. I am so heartbroken. The world definitely lost a wonderful soul. I love ya Josh!!

May the four winds blow you safely home💙💚😭
