“ *Heaven definitely gained one very special angel when you went home! I actually met Joyce When I was working in the Taco Bell drive thru window!! She would come and get her son chicken chalupas regularly & would request us to fry them for her...so it always took just a tad bit longer for her to be sitting at my window then it would maybe normally. I totally did not mind one bit bc no matter what Joyce would always have something interesting to tell me and she just lit the hole world up with her laughing and her smile! She was so kind to me every time I would see her she just made my day a little better. Thank u Joyce for being such a precious kind loving friend to me, I'm glad you get to spend Christmas with your husband! Rest in Heaven*
