“ *I dearly loved my sweet cousin. It was always such a joy to stay over at her house. We would stay up most of the night talking. I also loved writing letters to each other. My cousin had a pure heart of gold. Beautiful inside and out. I am blessed to know that I will see you again. Love your cousin Ann*

“ *I am so sorry for your loss. My late husband and I were their witnesses when she and Gary got married. I haven't seen her for years because we moved from St. Albans in 1974. She was such a good person. My heart goes out to her family.*

“Joyce and I were the same age, she was just a couple months older than me. I remember once when we were visiting her family when we were still pretty young, I was maybe 10 or 11, I was having such a wonderful time playing with her and her sisters that we begged for me to spend the night. I was allowed to stay but was missing my mom and dad as soon as they drove away. It was fun being with my cute cousins but I wasn't used to being away from my parents. Joyce was such a sweet person. I was always happy to see her at our family reunions when we were both able to attend. Rest in peace Joyce. My love and sympathies to her son and his family and all her siblings.

“ *I remember Joyce as being such a caring and kind sister. She always helped my mom take care of me.*

*I remember when I was growing up she would take me to her house every summer for a week to stay with her and she treated me as if I was her own child and welcomed me into her home.*
