“ Judy You had the god gifted ability to make others feel loved and wanted .you never had to tell anyone you loved Jesus .you could see that in the light that was your life .you were able to reach out to the very unloved .we had a uncle Nick .we all loved him so .but we did call him uncle grumpy for a reason lol .Judy was only one to ever be able to reach his heart .she would stay up all night and make cheesballs and cookies and bring them to you .uncle Nick we did not know until after he died .that was all he ever had to look towards to was Judy coming and bring him some and having lunch with him .that is all he would ever talk about .she showed him love and care .Judy would and could correct you in a very godly way .I know once she corrected me .I felt good about it and learned from it ..she just had that gift .someday someone Judy maybe knew in passing will come up to her and say Judy I meant you once I like to say thank you .for praying for me and thinking of me .because of I am alive and in heave today .to some people the Jesus they will ever see was through t Judy .Judy thank you .there are 1000's of lives you have touched while you graced this earth .many we will never know .you came from very humble beginning and because of your walk with God you always stayed humble to god .we live you and will miss you but we will see you again .

“ I worked with Judy for eight years at the Putnam County courthouse--she was the court reporter for Judge O.C. ("Hobby") Spaulding in front of whom I appeared frequently. Judy was a consummate professional in the courtroom, and a warm hearted woman of deep faith outside the courtroom. We frequently discussed matters of faith and she was the most spiritual of people--in word and in deed! My heart aches for her family whom I also got to know socially over the years. Judy was always inquiring about my family when we would run into each other in Putnam County--that is the sort of person that she was--generous, kindhearted and filled with an inner light even when she battled her illness. Judy was a special person and the world is a poorer place in her absence.

Sincerely,
