“ I'm just wanting to send my heart-felt sympathy to you and your family. I'm Scott Parsons' mother and had met Justin and Matt a few times. I remember especially one time at a birthday party for Aiden. I am so sorry for your loss. Scott really thinks a lot of your family. May God bless you and comfort you in the days to come.

“ *My heart and prayers are with you all. Growing up, Justin was so friendly to me. His personality was one of a kind and he was just an awesome guy. My regret is that we didn't didn't keep in contact more over the years. He was someone I looked up to. Going to miss him. Although we all have gone in different directions in different places, I hope you know Mark and Matt, your my Marine brothers for life and more than that, childhood friends I love and respect so much.*
