“ We sure enjoyed meeting him and working with him here in Baton Rouge this month.

He is a hard honest working man.

We are glad to know that he is a fellow Christian and now is with our Lord and Savior.

From one soldier to another and from the TRC Engineers family here, we will miss him and pray that God provides his comfort for everyone there.

“ 💔 I'm so sorry old friend 😞 you were so many unique things, super smart, so talented, an artist, songwriter, poet, musician, tech savvy, computer genius, creative, eccentric, hilarious, thoughtful, sensitive, a soldier, a friend, brother, son, etc.

You loved your Mom, Jenny McCarthy, Bruce Campbell, Dinosaur Jr., your sugar glider, that raccoon and beer.

I'm sorry, you'll be very missed. 💔

To your family, my heart breaks for you
