“ *I remembering first meeting Kallie almost 20 years ago! Our daughters where attending an event in Palm Springs, California. I instantly liked her. She was so kind and always smiling. Through the years I learned that I went to school with her sisters Carol and Cheryl. We always kept in touch on FB! I was deeply saddened to hear of her passing. I know heaven has gained an angel but I will deeply miss her. My prayers are that the Lord will comfort her family and friends until they see her again!* 🙏

“ *Bill, Heidi, Kristi and Grandchildren:*

My thoughts and prayers are with all of you at this difficult time. I was so blessed to not only have a working relationship but a friendship with Kallie with many happy memories. We were able to reconnect earlier this year to talk about the fun times and people we worked with and how we joked about the most important decision of our workday was where we were going to lunch. Chris' hotdogs and pies on the west side was our favorite lunch spot. She was always willing to lend her time and kindness to others even at times when her own health made commitments a challenge for the average person. She loved the experience and blessings of being a mother and grandmother and I'll miss her infectious laugh. I'm thankful for the privilege I had to know her and anytime I think of her laugh it will always put a smile on my face. Take care and celebrate the blessings she brought to your lives.
