“ *I was Karen's home health nurse for a long time. We all loved her and she was a great person. I always looked forward to visiting her. She will be missed very much. May she rest in peace. I'm glad you are no longer suffering Karen! I will keep the seashell you brought back from vacation forever and be reminded of what a beautiful soul you are. God Bless you and your family. Love and prayers.*

“ My brother Joe loved Karen more than life, itself. Their time together, though sometimes troubled, meant everything in the world to him. Now, they both rest in peace, in each others arms and in the arms of the Lord. Thanks be to God they found each other and thanks be to god for their children, grandchildren and great grandchildren.

“ Mike, Joan, Erin and Heather, We were saddened to hear of your loss. She is in no more pain, probably dancing around and laughing it up. May your many happy memories help you through this sad time. Love to the whole Cottrell clan.

“ I was so sad to hear that Karen had passed away. I enjoyed having her as a client for many years as her case manager. I loved her fighting spirit as she fought through many illnesses. My condolences to the family. RIP Karen!
