“ *Sharon, this is Kathy Seirp Telligman and Mary Seirp Bratton. My mother and I wanted to let you know we are thinking of you and your son's family. Paul and Georgia were such special people to us. We remember your family coming home to visit, and we would come over and visit Karen. Just wanted to let you know you are in our prayers. Mother's not into technology, so that is why I am writing for both of us.*

“ All of us getting ready to graduate! One of my favorite memories was dancing with Karen to Kool & the Gang’s Celebrate Good Times right before we got ready to put our cap & gowns on! We were laughing & having the absolute best time that day! Praying for all of the family & friends that loved Karen.

“ I’m so sorry to hear about Karen & my prayers are with her family. Karen was such a light in my life growing up. I’ll never forget how hard we would laugh during class when we were in high school. Something funny would happen & we couldn’t get past it, we would continue having the giggles. Karen would always light up any room she entered with her beautiful smile!

“ *Growing up my brother had a tendency as a child to pull on cats tails which always resulted in a screech from both the cat and him as he always ended up scratched. Karen was always so gentle with both of them, soothing over hurt feelings and showing him how to pet not pull on the cats. The humor makes me laugh but her kindness always makes me smile. She knew her sports too!*

“ Karen was a wonderful friend...I always enjoyed the times we shared at the beauty salon..she loved to get her hair done...we enjoyed many conversations...but most of all she liked to share with me how proud she was of here brother and his family..Sharon, her Mom, took very good care of her and I know will miss her dearly. Sharon I still have the angels you and Karen gave me as a going away gift.. You two were special to me. Until we meet again.
