“ What a beautiful lady and our cousin who married Stubby the love of her life. The Mitchell's and Newhouse families in Florida will forever love this couple. What memories we have at their home at Thanksgiving dinners, Christmas lights and of course the garage and all the things so precious to the Gober family. Just because we can't visit like we want - to being so far away our thoughts are with Debbie, Sharon and their families. We send all of our love to all of you.

“ I am truly sorry for the loss of such a wonderful lady. Granny was such a warm caring lady with a smile and a welcoming hug for everyone. My memories of her baking blueberry muffins in the kitchen with a smile on her face will forever be with me. She was truly an angel here on Earth and although she will be missed, her lessons of love and caring will forever live on. How I wish we could all have seen the reunion between her and Stubby!
