“ Words can not say how much I will miss Kathern, she and Junior was one of our best friends. We went lots of places together and hit every restaurant around and went every week for a long drive. Never knowing where we would end up, or for all long. If we left early in the day Kathleen ALWAYS left the porch light on in case it was dark when we got home. I sure will miss this lady. I'll find you in heaven one day .

“ I met Mrs Lucas in 1987. I was her mailman She was a good and
Godly lady. We shared many stories and blessings over the years.
She was an inspiration to me and to so many.. She ordered and
read countless Christian books that afterwards my mother would
read and eventually made their way to a church library in Indiana.
She truly let her light shine and lived the words of the song " If I can
help somebody along life's way, then my living will not be in vain ".
May God bless and comfort the family

Why cry for a soul at five
Miss me a little - But not too long
And not with head bowed low.
Remember the love that once was shared.
Miss me - But let me go.
For this journey we must all take
And each must go alone.
It is all a part of the Master's Plan.
A step on the road home.
