“ Our condolences to Kathryn's family from Thomas Memorial Volunteers. We are so thankful to have Kathryn share her time and talent with our hospital for over 37 years. She was a bright spot at our Information Desk and was loved by all volunteers and staff.

The best memory of Kathryn was her driving her VW bug to volunteer for so many years. When her car finally "died" and could no longer be repaired, she told me she had to get a new car. When I said "how exciting to have a new car! her response was "you know I won't get my money's worth out of this one!" Kathryn kept us laughing and was always an inspiration with her can do attitude. She will be greatly missed.
