“ *Kathy Kersey was a wonderful person. Kathy was the first person that I met at our wonderful Confidence Elementary. I was starting my teaching in a new environment. It was early in the morning. I walked into the school not knowing anything about Confidence. I was so nervous! Then, I saw a lady (sweet Kathy) in the hallway. She asked if she could help me. I told her my name and that I was a new teacher. She welcomed me to CES and took me to the office. She was so friendly! I will always remember Kathy making me feel so welcome. She was a terrific mother, school helper, and such a wonderful friend to so many. Heaven has gained an angel. God bless Tim, Amanda, and family.*

“ Kathy was an amazing and genuine soul. She was a wonderful second mother figure to me after my Mom had passed away, as she was also a second Mom to many others. I'm so very happy to have the childhood memories where many of them involve her. I will miss Kathy so much, but know she is now pain free, and is now with the love of her life, Bill.

Amanda and Timothy...Please know that I would love nothing more than to be there in person, but my heart is with you guys! We are sending you lots of love and prayers during this difficult time.
