“ *Katrina, I didn't know you as well as other people did, but it came as a shock to me to hear of her unfortunate passing. I went to Andrew Jackson Middle School with her, and also attended Nitro High School in the same grade. When I did talk to her, she was very sincere and kind, and never judgemental of external appearances and differences. Even though I didn't talk to her much, I always remembered how kind she was to me, in a time when most others wanted to be jerks. The last time I saw her was when I was working at Wendy's and she and somebody else had entered the dining room - I talked to her for a couple minutes, and she was still as sweet as ever. This was only a few weeks ago, and that's why it came as quite a shock. My condolences and thoughts go out to the family. The world lost an amazing person, and even though we didn't talk much - I considered her a friend. I wish we could've talked more. Rest in Peace, Katrina.*

“ I was Katrina's 8th grade English teacher at AJMS, and I was shocked and very saddened to hear about the tragic accident involving Katrina and her fiancé.

It was such a blessing to have Katrina in my class. She was one of those students who made teaching fun because she loved to learn. She was a lovely young lady in every way and was always so happy and optimistic. She truly cared about others. She had a strong love for her family and often talked about them.

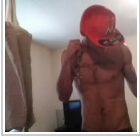

Her fiancé and family are in my thoughts and prayers.

May God's peace with you,

Melinda J. Wines

“ I am so sorry to hear of her tragic passing! Although i really did not know her, her father Lonnie was my cousin, and Denver my Uncle, was the kindest person, who always made me feel at home. “ Katrina was like family. My best friend Nichole (Katrina's cousin) kept telling me "You just have to meet her... you're really going to love her!" She was so right. The first time I met Katrina was after something personal that she had just gone through - she had been upset with the situation, but within minutes of meeting her, she was making everyone laugh & staying strong despite what she was going through. I felt like I had known her my entire life & she took me in as part of the family. Such a sweet girl. I loved her & will truly miss her.

“ Katrina was like a Daughter to me. I love her so much and she will surely be missed. Katrina and Travis spent many of hours at my home with my son and my son spent many hours at their home. She was in the room the day my grandson was born and was so much a part of our family. God bless the whole family and my prayers are with all of you. Lisa and Travis I love you both.
