“ I was saddened to read of Keith's passing. Although it has been many many years since I have seen or talked with any of you....my heart holds many memories of your family. Seeing the picture of Keith and Frances and Carole was so special. Frances, you got me through my heart surgery when I was 5 years old. And Carole, you babysat me when Mom was protesting at City Hall. Keith was there for my grandmother, Julia as she lost her husband and sons. So many cherished memories. Joyce, my Mom thought you were so sweet and kind. She'd smile and say she'd like to be more like you! I have no words to minimize your loss. I'm just glad that Keith is with the rest of our family who have already gone ahead!
