“ I loved working with this cantankerous, funny, ornery, and hard working man. He always made me laugh and helped me find the silliness in life. He would say no and then do whatever I asked. I will miss him terribly! Sarah Inghram, a lady who had the privilege of working with Booger.

“ Keith was a dedicated Poca fan. He would do anything in the world to help the teachers at Poca Middle School. I loved his feisty personality. Our school will not be the same without him. Prayers for his family.

“ So sorry to hear of Keith's passing. He came to work at Poca Middle when I was a teacher and then the assistant principal and was a great person. He was a reliable and hard working person, but his personality was the thing that made him such a treasure. Please accept my condolences and know he touched the lives of many people and he will be remembered fondly. Peggy Persinger Workman
