“ *So sorry for your loss. Kelli was a wonderful, caring, loving lady. She coached my son Dusty in baseball when he was very young and she taught all the kids more than just baseball. I've never known anyone who was so involved in so many things at one time. She gave herself unconditionally to all the children in our area. Our hearts are broken yet smiling at the knowledge that Kelli is free of pain and in heaven with our Heavenly Father. God Bless you all and know she touched so many and was so loved!*
