“ I have so many memories...of so long ago. Kim and Kelly both were a big part of my childhood. Roasting marshmallows and catching lightning bugs in the summer. Braiding hair and playing, I am so saddened to hear of her passing. Fly high sweet angel. I will see you again someday. Love and prayers for the family. Sincerely, Lillie Workman Stewart

“ Such a sweet, gentle spirit Kelly was. I always enjoyed sitting alone with her and just chat about our grand kids. My heart is burdened and so saddened for Pat, Melvin, Jeremey, and Britney. Know that Kelly was special to all of us. Peace and grace be with you through this long journey ahead.

“ Kelly was a special girl. Always quiet but always great to be around. Spent lot of time around her in last few months. A few weeks ago sat in her parents living room and watched her hold her latest grandchild. I thought as I watched her hold him of how great it was that she got to see him and hold him. It was a beautiful picture as a sat looking at her looking at him with live in her eyes. Kelly will be missed here but I know she is rejoicing in Heaven now and will never feel another pain. Love you Kelly.

“ We had some great memories when Kelly ,Belva and I went camping. I work with her for years and and she was a great friend and was part of our family. I remember when I used to tell everyone that I was Her aunt Delores . Never forget the good times we had over the years and I will see you again in heaven. We use to go camping and her and Belva would say you go so we won't get in any trouble. One time while camping I rember Kelly and Belva asked me to read the bible to them and I did. Itched to explain the best I could but they loved listening and I loved telling stories to them the best I could. I will never forget you Kelly and will miss you dearly but someday I will get to sit down and talk to you again. Save me a spot Kelly because Belva and I will be there to talk with you again. Love you sweet Kelly and will truly miss you. Friend forever

“ It is with great sorrow I say goodbye to a dear friend and sister in law. I loved to make Kelly laugh and argue with her over Rummy rules. Sometimes I'd just make something up to see her look at Kim with that "I'm gonna smack him" look. To say she was a 'one of a kind' is an understatement! I am forever blessed to have been in her life and family and will always miss her when we visit. While she lays in wait in Heaven (undoubtedly at a beach somewhere soaking up immaculate rays), we are left behind to cherish her memory. So that's exactly what I am going to do...Until we see each other again, bye for now Kelly.
