“ Kimmy was very special to me, we slept with maw Tucker and had scratch your back lines, I was the youngest so I was always in the middle, LOL. I will never forget when she left me and got married, I thought my life was over. She more than well made up for it, Kim and Rick would show up here in the mountains and she slept in between Jamey and I. I will never forget how you took care of me in our times of trouble, sneaking so J-N-K could be together. We love you to the moon and back baby!!!! 🌙 🕊️ 💖 🙌
