“ *Michelle, & David. My thoughts and prayers are with you, I know this is a most difficult time right now. May god lay his healing hands upon you and fill you with peace with the knowing that Kris is in a much better place now, and not in any pain.*

(I wanted to come to her services today, but I am unable to take off work)

As you know Kris and I haven't always seen eye to eye, but I must share that during a most difficult time when my oldest son was estranged from us, and ended up in a bad place, Kris, & David took him in, and took care of him, I am so Thankful for her compassion, and caring heart, I feel they saved my son. Thank you.

“ I worked with your mom at the WVDE for over 20 years. She was a hard worker, but her greatest accomplishment was you Michelle. She would always tell everyone about you taking dance classes when you were younger and showed pictures of you as well. I knew her health problems before she retired, and I am deeply saddened that we all have lost a wonderful friend. Fly high with the angels Kris.

“ Dear Eleanor,
I am so deeply sorry that Kris has passed. I can speak to you that it is one of the most difficult times a Mother faces. There are no words that will help just know that I do understand. Matt passed 10/24/2015 and it is still so very hard. Hold on to your family and share with them the memories. Remembering when Kris was born and the very young tender years.

I am not able to attend the visitation/service. My health is very poor. If you would care to talk, please call me.

Your sister, Nancy W
