“ *I am saddened by the sudden loss of such a wonderful person and coworker. Although the times I got to spend with Kyra were too brief I will always have memories of what a bubbly person she was with a happy smile and that always transferred to me before she walked away. She will be deeply missed and my condolences go to her family and friends. Rejoyce in knowing she will now be sharing that personality with our father and I know she will transfer those smiles to God's face just as she did with me.*

Kyra i somehow wished i would have know something was wrong with you. I was at worked and read a flyer and said funeral for Kyra and at first i wasn't sure who they was talking about until I spoke to few people and realized it was you. “ I was Kyra's Team Coach when I worked at Verizon. She loved life and love people. This saddens my heart knowing she had so much to give and had such a short time to share it with others. Today, I say: Thanks for for sharing a small part of your life with me at Verizon.
