“ *Larry and I started school together. We were part of the bus ride for
12 years, also known as the Rt 60 Rockets. He was also my Fifth
Grade boyfriend. That carried status in the Fifth grade.
I considered him a good friend also. Rest in Peace sweet Larry.*

“ Larry was my next door neighbor...we played together seems like daily...there were 2 lots, all pines between our houses that provided us a massive playground.. mom bought those lots about 1985, had them cleared, and I've been mowing them ever since; heck, just over the weekend... 2 50' lots .. many memories... the Troyers were good neighbors & friends

“ In the years of my career with the IBEW , Larry (Ramp) was truly my brother in the trade. He was my Journeyman as an Apprentice and one of the first to welcome me into the Union. I also had the extreme privilege of working with Ramp again in the final year of my career before I retired. It was one of the favorite chapters in my career. We were known there as the “Hippie” and the “Old Man”
Good Times!

Rest in Paradise Brother Larry

You are missed 🤝💙
