“ *I am so sorry to hear of Lee's passing. He was my first boss in the line crew and taught me a lot; mostly how not to get myself or someone else killed. After he retired and I was in OPE, he came back as a contractor and we worked many days together doing jobs mostly in Putnam county, I got to know him better as a man and we developed a good friendship. I will always value that and his guidance. He was a good man. Jim Young*

“ *In 1970, Lee was my line crew foreman. As a 19 year old 'know it all', I challenged the sharpness of his pocket knife. He laughed, took my arm and shaved a part of it. 47 years later, the hair has never grown back. That man taught me a lot. I'll always fondly remember you Lee.*
