“ *My Dad was and always will be my HERO! My heart breaks. I know he’s in heaven, with no more pain, and he’s at peace now. My head knows he’s better off health wise, but my heart will truly never catch up. I will forever have a hole in my heart. From the time I was very little he would take me with him wherever he could...I’m sure most of the time I was more of a hindrance than a help, but that never stopped him from letting me go. I love you Dad.....more than you could ever have known! Trish*

“ I am so sorry for your loss, I have many fond memories of spending time at the Baker house up on Lincoln Ave. Ted and Ruth were such nice people, Wayne and I would get pizza from lorobis and a six pack of pepsi and build model cars upstairs in the house. I remember Bob and Barbara being there quite a lot and I didn't know if some of the stories Bob told were true or he was just pulling my leg. I will put the family in my thoughts and prayers in this difficult time.
