*Dear Allen, Madison, and Talissa,  
I first met & got to know Leeann approximately 3 years ago. I liked her from the beginning. Unfortunately, she & I didn't spend very much time together over the last few years. However, my heart has been breaking ever since I heard about her passing. Allen, I am very sorry for your loss. But, I can't seem to stop thinking about her two young daughters that now no longer have their mother. My heart breaks for you, Talissa & Madison. I don't know what it feels like to be in your shoes. But, I know you must be feeling worse than ever. For what it is worth, I always have an ear to lend any time you felt like talking, screaming, or whatever. I hope that you guys get this message, because I didn't have any other way of getting ahold of anyone.  
Sincerely,*
