“ Dear Kate,
May you hold on to the memories of your delightful childhood in your Mom and Dad's loving home. Your parent's were devoted to each other and to you of which you're certain. Susan was so excited to learn that we are from Hurricane and exclaimed, "you must meet my husband Leo!", and our families became fast friends. We cherish the time we spent with Mom, Dad and you and our memories. May God continue to Bless You, Chris and Evelyn and give you comfort.
