“ I am sorry that I just now got this news. Lenny was my first cousin and I had no idea. I know several of other cousins had no idea either. Jeannie Chapman Carter just notified several of us about this. Continued prayers for all.

“ Cloyd and I are very sorry for your loss and for the loss to our Westmoreland history. Lenny worked with and for Cloyd at Verizon. Susan was a VHS cheerleader when Lenny was one of our brightest football stars. When we all lived in Wheeling at the same time, we enjoyed his company. Lenny lived hard, laughed often, and died knowing he lived authentically. How could anyone ask more? Let's all have a beer & give a cheer for Lenny. He always will be in our hearts.

“ I first met Lenny many years ago through my friendship with his brother Dave. During that time, I was fortunate to share some golf games, fish, and just visit with him at his beloved camp. Even though we didn't see each other very often, he was always the same fun loving guy, who welcomed me with open arms. As I told Dave, Lenny was a good man, who loved his country, his friends, and most of all his family. I know they will miss him, but like me, cherish the memories.
