“ *my mom Helen Gibson always called her niece Lethey. Our mom loved her so much. All of our family loved Cousin Lethey as well. She and her family were always at our side with the loss of our dad, mom, brother and sister. Lethey would do anything for anyone. She will be missed of course by Pleasant and her boys and she will be missed by all. If you knew Lethey you were fortunate enough. “ The hours were long and the stream of faces was steady at the grocery store. Certain people were favorites. They called for a lull in the pace and drew you to visit. Letha and Pleasant (you never saw one without the other) were favorites. It is sad to see you go, Letha. You were a beautiful and kind woman. We will miss you. Our condolences to all the sad hearts left behind.
