“ I just became aware of Linda's passing. My family attended church with the Holley family several years ago and she was one of the kindest ladies I have ever known. I have always had the upmost respect for the entire family. My Mother passed from the complications of Alzheimer's so I am familiar with your struggles. Please know my thoughts and prayers are with the entire family.

“ Aunt Linda had the gentlest and kindest spirit of anyone that I have ever met. Her tender heart was evident in her generous thoughtful care for others. She loved to laugh and was a pleasure to be around. I never heard her say anything unkind about anyone - it just wasn't in her nature. She loved her family and friends and her God and daily found ways to care for and serve them. She truly had a faithful servant's heart. When given opportunity to share ideas in class at church, she would offer unique insight and sometimes express her ideas in beautiful prose. When Alzheimer's attacked and limited her communication, she quietly responded by producing countless colorful artistic expressions - she loved beautiful things and loved to color. Heaven is a sweeter place now that she has entered those gates and I feel so privileged to have been loved by her and been her niece. Many prayers continue for her loved ones.

“ Mary Jean Cooper & Dennis will be thinking of you as you celebrate the life of Linda, mom's sister and my aunt.  
We are sorry we cannot be there with you today.  
We rest in the hope that Jesus gave us and know we will see her again.  
May God lift you up in His arms and grant you grace today.

My prayers are with you all during this time of separation, it's HARD even when you know she's in God's hands. It's not loss because you know where she is and you can meet her again some day. If I can help in any way, please let me know. Wonderful lady and wonderful family!*

*My Aunt Linda had the kindest and gentlest spirit of anyone I ever knew. She loved to laugh and never spoke an unkind word to anyone. She had such a tender heart and loved her family, church family, friends and neighbors and was always willing to serve others. When taking classes at church, I looked forward to hearing her share her essays - always insightful, often very moving, even poetic. When Alzheimer's attacked, she quietly and patiently filled countless pages with lovely color. I feel privileged to have been loved by her and been able to love her and call her my aunt. Heaven is a sweeter place now that she has entered those gates. I so look forward to seeing her again soon.*
