“ There was never a dull moment when the Snodgrass family was together — laughter, warmth, and love always filled the room. Your mom had a way of making everyone feel welcome, and that’s something I’ll carry with me forever. It’s never easy to say goodbye, but there’s comfort in knowing she’s finally at peace. Her kindness and light will never be forgotten. 🧡 love you all 🧡

“ To Shirley and Family. I am so sorry to read this. I have wonderful memories from our Bens Run days when we were teenagers.. Swimming at the pond and sun bathing, staying all night with each other, hanging out together on Sunday afternoons. She was so much fun. I can still hear her laugh. My Deepest Sympathy to Shirley and Family. God Bless Each of You. Sincerely Margaret Wells Mahoney

“ Linda was such a wonderful person and I am glad to have been able to talk with her over the last few years. We always ended up laughing over something that probably wasn’t funny to others. I will always remember her and pray for comfort for her family.

“ Dear Andrea, Matt, Holly, Shirl and all of the rest of this loving family,

I could write a book about your mom. She was the second person I met when I moved to Sistersville and from that moment on she took me in as family. There are so many stories we can share and so many happy and fun memories spent with all of you, I could write all day. She loved her family passionately and was so proud of her children, grandchildren, and great grandchildren. She is free from health burdens now and I'm sure her and Angie are up there getting into some kind of trouble. Sending hugs and love to all of you.

My heart breaks for all the Snodgrass family at this loss of Linda. She was “one of a kind” special lady. I spent a lot of time at her house just having good times. Babysat three of her kiddos and they were my second family. I have such wonderful memories to always remember. Prayers for all those that loved and knew Linda. Rest in Paradise ❤️
