*I had lost contact with Lisa over the years, and have been trying to find her for some time. My heart goes out to Lisa's family. I grew up across the street from Lisa. We had a lot of good times together, we even ran away from home together, then when she was in the Marines, I moved there with her for a while....November1984 we had an absolute blast together. Wish I could have found her sooner, this makes me so sad to hear she is gone...PRAYERS FOR THE FAMILY...GOD BLESS*

“ *I've known Lisa for many yrs. even though I haven't seen her for a while.. She was part of our family and I enjoyed Lisa.. I remember when her and my brother watched my boys while my husband at the time took me to Myrtle Beach for a getaway.... Shawn himself was just a baby, but we loved them both.... I know she had a wonderful heart and would do what she could for anyone.... May she Rest In Peace. Shawn we love you and would love to see you... Sandy*
