“ *Paula, I am so sorry to hear about Lloyd. It seems like yesterday we were at Charleston National Bank and you were sharing beach stories. I hope your happy memories of Lloyd will help carry you through this time. You and your family are in my prayers.*

“ My heart broke when I first learned of the severity of my dear friend's health and then when he died my heart was crushed. It is rare in life that one gets to have a close friend who no matter what, he will be there for you. These type of friends in life you can count on one hand. Lloyd was one of my such friends. Although we didn't talk often due to the nature our our health problems we always kept each other in our thoughts and prayers. When Lloyd called me about 7 months ago I was so happy to talk to him and we talked for almost two hours about the fond rememberances we share together for the almost 20 years we worked together. Lloyd was an invaluable member of the office finding information that no one else could find. He was thorough and dedicated. I was truly blessed to have him in my life.

I know words alone will never ease the pain of your loss but know this, after a man dies if it can be said of him that he was a good man who loved his family and was loyal to his friends no better ephitap could be placed on his toom stone. This is what could be placed on Lloyd's.

May the Lord bless you and keep you and ease the grief and loss you will have to endure.

I shall miss my friend greatly, but I know when my time comes I will be blessed to see him again in heaven and when I see him he will be shed of all his wordly health problems and will be whole in body and spirit and will spend eternity together as the firends we were in life..

“ *I would like to express my condolences to the friends and family of Lloyd Lowe. Our Heavenly Father knows the pain we suffer when we lose someone and promises to be with us in times of sadness. (Psalm 34:15-18) I hope you will find comfort in His promise and in the many wonderful memories you all made and shared together.*
