“ *I loved her infectious laugh and intelligence when we went to high school. I have enjoyed her posts the last several years and her obvious love for church and her family. I am so very sorry for your loss, Ike and family.*

“ *My thoughts and prayers go out to the family. Lois was a great resource when I first came to the plant. I still have the badge she had made for me that is the Lost Princess. She knew that I got lost a couple of times in the plant so everyone got a kick out of my badge. She will be missed. Prayers to the family!*

“ A beautiful woman who was caring, kind, intelligent and resilient. I had to smile about the vacations and was fortunate enough to go to the beach and Disney. She always made sure to include me in the "big stuff" such as Amanda's graduation from nursing school, the wedding shower and baby shower and we had a special moment when Esther was born. A woman who made the world a better place as a mother, daughter and Registered Nurse.
