“ So sorry to hear about Lola Jane. I am her first cousins wife, Wendell McCallister. I first met her when she lived on McCloud Rd about 45 years ago. She called Wendell several times when he became ill. She was very kind to our family. She for sure will be missed.

“ Jane & her husband took me & our son, Michael to Niagara Falls when Michael was 15 to a soccer tournament. Michael had played on the soccer team with her son, Jamie Cope, Brent & Toby Wells & others I can't remember. But Michael's birthday was a few days before the tournament & he was ineligible to play but Jane didn't want him to be left behind. They packed up an extra tent & cots for us to sleep in & took us to NY. I had never been camping in my life but it was such a generous act to include us in that trip. I never forgot it & what a wonderful thing they did for Michael & I. Sara Hammett
