“ *Lola was a very sweet lady, I worked with her at the Kroger Whse back in the late 60's and early 70's. She also picked me up on the west side and took me to work with her to the Kroger whse while my husband was overseas in the military.. I was able to attend a party at her house in Winfield as she had the Kroger girls there for a little get together. I was wondering about her just the other day when I passed her neighborhood in Winfield. She and Norma Jean were great friends of mine as well as many others.*

“ *Lola & Beverly & some other women gave me a wedding shower when I got married, it was at my house, because at that time we were not allowed to have showers at the church. Every one liked Lola, & she was a very close good friend of my Mom Hazel Jividen. She was easy to talk to & she will be missed. She was always there to help in any way that she was needed. I am very sorry to all the family for your Loss. Libby Jividen Plumley*
