“ *This was my Great Aunt Lola. I remember seeing her a few years ago and had probably only met her a couple times when I was young. She still knew my name and remembered to ask about my brother. It was great seeing her. I've only heard great things about her. I regret not being able to see her at the Harris reunion that I swore I would go to this year!!*

“ Aunt Lola was a wonderful person who was dedicated to the Lord. She is in a much better place now, but we get to keep our memories of her.
